Please join The American Society of Civil Engineers Younger Members Forum our second golf seminar

INSTRUCTORS: Chuck Scally Jr. and/or Jill Finlan-Scally

SEMINAR TOPIC: Golf Course Skills for Young Professionals

This seminar is a hands-on session intended to help young engineers participating in corporate or professional society related golf outings. Built upon last year’s seminar “Golf Course Etiquette for Young Professionals”, this seminar will include a short review and Q&A session on rules and etiquette, followed by skills instruction both in the classroom and on the “Pitch and Putt” course.

The seminar instructors will be Chuck Scally, Jr. and/or Jill Finlan-Scally. Chuck is a Class “A” PGA Member and Jill is a LPGA and USGTF Certified Teaching Professional. Both have a significant amount of experience instructing golfers at all skill levels.

*Prior golf experience is recommended for this seminar. Those with little to no experience are welcome to attend, but should not expect personalized beginner-level instruction on the “Pitch and Putt.”

WHERE: Scally’s Golf Center
265 Hookstown Grade Road
Moon Township, PA 15108

WHEN: Sunday, July 8th, 2012 6:00 TO 8:00 PM
