

YMF Engineers' Structural Tour First Presbyterian Church of Pittsburgh

TOUR: Thursday, January 16th at 6:00—8:00pm

COST: \$10 (To be Paid at the Tour)

LOCATION: First Presbyterian Church of Pittsburgh

ASCE-YMF will be hosting a private engineers' structural tour of the First Presbyterian Church of Pittsburgh, a National Historical Landmark. This tour will include: gothic architecture, tiffany studios 13 designed 26-foot-by-7-foot stained glass windows, 80-foot ceiling beams — each cut from 150-foot Oregonian oak trees — plus, a pair of rolling, two-ton, 30-foot oak doors in the sanctuary!!!!

Please RSVP by January 15th.

To RSVP for this event please contact Jaime-Lynn Widows at Jaime-lynn.widows@hatchmott.com. Upon RSVPing she will send additional information. Note: Pittsburgh on street parking is free after 6:00pm.
