Talking to Your Legislator 101

A Technical presentation jointly sponsored by the ASCE YMF and SPEO

Interesting in speaking to your representatives about infrastructure needs and funding but don't know how to get started? Want to get involved in policy making? Maybe intimidated or concerned you'll say the wrong thing?

This event will teach you the do's and don'ts of talking to your elected officials, how to make the most impact in the time you have, and other tips for effective communication. Plus learn what resources ASCE and SPEO have available for you as well.
