2019 EMPLOYER OF THE YEAR

American Geotechnical & Environmental Services, Inc.

Founded in 1995, American Geotechnical & Environmental Services, Inc. is a civil engineering firm that specializes in geotechnical engineering for public transportation projects.

It is a company that develops well rounded geotechnical engineers through continued education and works on challenging geotechnical projects across Pennsylvania. A.G.E.S. contributes to the local ASCE chapters and the continued advancement of the civil engineering profession. The company cultivates an environment that is challenging, exciting, and supportive, and where professional and personal relationships go beyond the work as engineers.

“...We feel that A.G.E.S. demonstrates the characteristics of an outstanding employer through its commitment to further developing the employees and to professional societies such as ASCE.

– Employees from A.G.E.S.

A.G.E.S. will be recognized during the Engineers Awards Banquet on Saturday February 15, 2020.

Come and celebrate our 2019 award winners. Details on our Event Calendar at http://www.asce-pgh.org/event-3588988
