Subject: Sponsorship for ASCE Pittsburgh YMF Winter Banquet

To Whom it May Concern:

The ASCE Pittsburgh Younger Member Forum (YMF) is hosting their Annual Winter Banquet on **Thursday, January 18, 2024**. The event will be held at the Pittsburgh Zoo and Aquarium, located at 7370 Baker Street, Pittsburgh, PA 15206, starting at 6:00 p.m. The dinner will feature a presentation by AECOM and the City of Pittsburgh regarding Pittsburgh Regional Transit's Bus Rapid Transit Program. The presentation will include details about what a bus rapid transit system is and the specific design of PRT's University Loop. Attendees will have the opportunity to receive 1 PDH from this presentation. Furthermore, the YMF will also be hosting its annual food drive to benefit local food pantries. More information for this event can be found at www.asce-pgh.org.

Your organization is invited to share the spotlight with the YMF and help make this event successful. Various sponsorship levels have been structured to suit your commitment to this event, including exclusive event sponsorship, bar sponsorships, animal encounter sponsorships, and dinner sponsorships. These sponsorship levels are described in more detail on the following page.

This event has always been a great opportunity for organizations and their employees to network with young professionals in the Pittsburgh area. We hope that you will not only attend, but will consider sponsoring the event to help make it a success. Please see the attached sponsorship form and feel free to reach out to me with any questions or concerns at asceymfpg@gmail.com.

Sincerely,

Jayne Marks, PE
Treasurer, ASCE Pittsburgh YMF
